

Springfield Stamp Club (SSC), Minutes, March 7, 2018. There was no business meeting on March 21 due to school closing because of inclement weather.

President Neal Parr called the meeting to order at 7:35PM. There were 14 members present.

The Secretary read the minutes of the last meeting and they were approved as read.

The Treasurer made his report and it was approved as presented.

Old Business

SPRINGPEX18. Gerry Frazier reported on SPRINGPEX. He stated the situation was essentially the same as last week. We have received some more cover orders, and an APS "blast" has gone out. We still need volunteers to man the club books and to provide a break for those at the youth table and entrance table. Harry Gambor, from last year, has volunteered to provide security again this year.

Pat Kuch stated that the awards committee is prepared.

Bill Fort stated we are close to filling up 4 rows of 8 frames, and we have two returning judges, Tom Meyers and Yavuz Corapciobu. Otto reported that we have 5 people who are entering noncompetitive exhibits from the SSC.

Neal Parr stated that he has more flyers if somebody needs them. He also noted that the breakfast head count is still below our required 60 and urged more people to sign up.

Neal also stated his computer is temporarily down, and that he can be reached by telephone if necessary. His number is in our directory.

As a reminder, SPRINGPEX opens Saturday at 10 and closes Sunday at 430. We have been able to get some volunteer help to load and unload frames. Otto will be in attendance to help with positioning the frames.

The Secretary reported that the SSC responses to the annual Linn's Stamp Poll were mailed.

New Business

Rory Souther inquired as to whether we need to set the wheel in motion to buy new Scott Catalogs. There was a discussion of how to obtain them, and it was determined to contact George Shaw to see if he could obtain them at lower cost.

Announcements: None

There was a motion to adjourn, and it was seconded and approved and the meeting adjourned at 7:50 PM.
